People In Property Recruitment Group

10 Year Anniversary

1998 to 2008

Since our inception on the 04th June 1998, People In Property Recruitment Group is now Perth's largest privately owned Recruitment Agency specialising in the Property, Building, Construction and Settlement industries.

Initially commencing as Julie Della Personnel in 1998, we expanded our operations in 2001 to the growing requirements in the building and construction industry and re-launched our new look company as People In Property Recruitment Professionals. Six years later in 2007, we yet again re-launched and re-branded our services to include our new office in Dubai and to cater for the increased demand of our services in the Perth market.

Our success is derived from the hard work and dedication of our Career Development Managers, Administration Support Team and the on-going training, support and leadership from our hands on Managing Director, Julie Della.

We are all very proud to have built a solid reputation in the Perth market of consistently supplying our clients the very best candidates and representing our candidates to only the highest calibre companies.

Quality service takes time and effort and we ensure that all our candidates are personally interviewed, reference validated and where necessary skill tested to ensure they meet our high standard of selection criteria.

To our valued Clients and Candidates, new and old
- we look forward to our next 10 years together.
